DISCLAIMER

We truly appreciate your attendance at this Seminar and we hope that the information we are providing is useful, educational, and will guide you through any difficulties you may have or encounter in the future.

This seminar and the documents provided contain information only about the law and is designed to help attendees of this Seminar, and those reviewing the informational documents attached, to safely cope with their own legal general policy making decision needs in order to conduct the public business. **Please be aware, however, that legal information is not the same as legal advice.** Legal advice is the application of law to an individual's specific circumstances. In this Seminar, we are merely providing general information relating to the proper procedures necessary to conduct the public business.

We cannot, in this Seminar or through any of the materials presented herein, address each and every set of circumstances you may encounter. Therefore, we cannot provide you with a legal interpretation or "advice" regarding any of your specific problems. Although we have made every effort to make sure our information is accurate and up to date, laws do change regularly. If there is a specific problem or situation you are dealing with, we recommend you consult a lawyer and obtain a review of all circumstances surrounding your situation.
